**Announcement**

Those of you who look at Little Visuals and any new visitors will be aware there have been no further uploads for over a year now. Sadly the young man who created this site died suddenly in Nov 2013. His name is Nic he is 26 and we are his family. Nic is one of far too many young adults who's death comes under the heading of S.A.D.S ( Sudden Adult death Syndrome ). We are now fundraising in the hope to provide a number of schools or sports areas with portable defibrillators in Nic's memory. With this in mind we would like to ask if any of you that view his site and download the images would consider a small donation towards the *Hand on Heart Charity*. We hope to update this site in the near future with previously unpublished photos.

With thanks, Nic's family.
